2010 Charity Golf Classic

Dear Potential Sponsor

Since 2006 The Luca John Foundation has been the source of support for families that have lost an infant child both emotionally and financially. The Luca John Foundation is one of the only national non-profits that provides financial assistance to families for funerals and burials of their infant children and has become the first contact for hospitals, social workers and doctors that have patients that have lost an infant.

The foundation's other mission is to provide grants to institutions that are increasing the survivability and quality of life of children diagnosed with all forms of skeletal dysplasia.

As a registered 501 (c) 3 non-profit organization, we are a tax deductible donation. The Luca John Foundation holds events throughout the year to raise money to help the children and families we serve. One of our major events is our annual golf classic. **We are asking your company to show it's support by finding a sponsorship level that is right for you.**

Last year The Luca John Foundation saw a 650% increase in the amount of requests we received. The Golf Classic is one of our core events and raises a significant amount of money for our mission.

Because of Luca's loss we want to provide hope for others. We thank you for your support and we look forward to hearing from you.

Our 4th Annual Golf Classic will be held on Friday June 11th at Cranbury Golf Club 49 Southfield Road, West Windsor, New Jersey 08550.

Sincerely,

The Luca John Foundation

"The Luca John Foundation is an organization that impacted our lives and touched our hearts. We were seeking some financial assistance to honor our boys with a headstone. The Luca John Foundation got involved and made it possible for us to do so. The Luca John Foundation is an amazing organization and we are so grateful for them and the compassion and generosity that they showed"

-Matthew & Shannon, Michigan

"The Luca John Foundation is such an amazing resource for us. Being a young couple fresh out of college, our financial situation could not absorb the burden of a decent service for our child. The Luca John Foundation helped ease the burden, and we were able to focus on the day and the feelings of peace and closure, rather than the stress of finances"

-Jeff & Katie, Iowa

"When I needed a friend The Luca John Foundation was that friend, when I needed a hand to hold they gave me one and when I needed a home for my babies they provided that for me as well. The Luca John Foundation works. They work for families and that is what it is all about. I am thankful for that gift!"
