

## 5<sup>th</sup> Annual Luca John Foundation Golf Classic

Dear Golfer,

Since 2006 The Luca John Foundation has been the source of support for families that have lost an infant child both emotionally and financially. The Luca John Foundation is one of the only national non-profits that provides financial assistance to families for funerals and burials of their infant children and has become the first contact for hospitals, social workers and doctors that have patients that have lost an infant and we saw a 650% increase in the amount of cases we were presented with.

The foundation's other mission is to provide grants to institutions that are increasing the survivability and quality of life of children diagnosed with all forms of skeletal dysplasia.

Being a registered 501(c)3 non-profit organization we are a tax deductible donation. We hold events throughout the year to raise money to allow us to help others. One of the major events we hold is our annual golf classic. We hope that you can make it and play in this years outing.

While we were only able to hold Luca for a short time, he will always be in our hearts and minds. Out of our loss, we hope to be able to provide for others. We thank you for your support and we look forward to hearing from you.

Please join us for our 5<sup>th</sup> Annual Golf Classic. This years outing will be held on Friday June 24<sup>th</sup> at Cranbury Golf Club 49 Southfield Road, West Windsor, New Jersey 08550

Sincerely

-Kevin and Nickie Baranowski
